WHERE SPONSORSHIP CREATES COMMUNITY IMPACT

Funding needs & impact goals

2026–2027 season | Board-planning worksheet • Replace bracketed values before external use.

OUR PROGRAM MODEL

Ninjas STEM Foundation uses the knowledge students develop through Robotex Ninjas to deliver repeatable robotics learning through libraries, schools, science nights, mentorship, scrimmages and camps.

STARTING POINT & PROPOSED OUTCOMES

6 events	100+ people	[ ]	[ ]
Website working baseline[1]	Students & family members[1]	Additional programs target	Additional participants target

[1] Working figures from existing website content, cumulative since 2023 (team) / 2026 (Foundation). Verify underlying event records and counting method before sponsor publication; no current-season-only totals are asserted.

PROGRAMS TO BE SUPPORTED

ROBOTICS DISCOVERY	Library and school Build–Code–Drive workshops; family science-night stations.
TEAM MENTORSHIP	Help developing teams learn design process, programming and competition readiness.
SCRIMMAGE & SHOWCASE	Practice matches, student presentations and community robot demonstrations.
SUMMER ROBOTICS ACADEMY	Hands-on multi-day robotics instruction, subject to site and staffing availability.

PROPOSED FUNDING PLAN

Funding category	Example uses	Budget	Secured
Reusable outreach kits & demonstrations	Robot parts, controllers, sensors and transport	[$]	[$]
Workshop delivery	Activities, consumables, safety and printing	[$]	[$]
Mentorship & community events	Scrimmage / showcase supplies and logistics	[$]	[$]
Student robotics development	Parts, field and competition registration	[$]	[$]
Program coordination / contingencies	Approved operations and replacement costs	[$]	[$]
TOTAL	**Board-approved total; funding gap: $[ ]**	**[$]**	**[$]**

EXPANSION & MEASUREMENT

Reach Library, school and community programs in Frisco, Plano, Little Elm, McKinney, Dallas and North Texas. Record hosts as completed, confirmed, in discussion or prospective.

Targets through [date] [ ] programs; [ ] participants; [ ] partner sites; [ ] volunteer hours. Record actual events, attendance, repeat participation, costs and consent for photographs.

Sponsor benefit alignment Levels: $250 / $500 / $1,000 / $2,500+. $500+ includes team-shirt logo; $1,000+ adds a midseason outreach progress email; $2,500+ adds an optional 30-minute STEM planning call and written recap. Details in Document 2.
