COMMUNITY PARTNERSHIP • NINJAS STEM FOUNDATION

Sponsorship levels & benefits

2026–2027 program season | Revised proposed tiers for review

WHY SPONSOR

Help student engineers turn the robotics, coding and leadership skills they gain through competition into hands-on STEM experiences for children and families across North Texas.

WHAT YOUR CONTRIBUTION ENABLES

Hands-on outreach

Robotics kits, demonstrations and activity supplies.

Student development

Design, programming, mentoring and competition experience.

Accountable impact

Event records, participants reached and program updates.

PROPOSED SPONSORSHIP LEVELS

SPONSOR RECOGNITION	COMMUNITY SUPPORTER $250	STEM PARTNER $500	OUTREACH CHAMPION $1,000	FOUNDATION PARTNER $2,500+
Sponsor listing on foundation website	Business name + link	Logo + link	Logo + link	Prominent logo + link
Social-media acknowledgment	Group thank-you	1 individual post	1 individual post	2 individual posts
Logo on team-owned sponsor banner	—	Standard logo	Featured logo	Prominent logo
Logo on team shirts	—	Standard sponsor logo	Standard sponsor logo	Standard sponsor logo
Season-end community impact report (email/PDF)	1 report	1 report	1 report	1 report
Midseason outreach progress email	—	—	1 update	1 update
STEM partnership planning + written recap	—	—	—	1 call + recap

Team-shirt logo recognition is included at sponsorship levels of $500 or more. All proposed tiers and benefits remain subject to foundation approval and applicable event-host rules.

IN-KIND SUPPORT IS WELCOME

Robotics parts, laptops, printing, workshop supplies, venue space, and professional mentoring may be considered. Recognition is confirmed case by case; noncash goods and donated services may be treated differently for tax purposes.

GUIDANCE & DELIVERY DETAILS

How the benefits work

Clear expectations for both local businesses and corporate partners.

RECOGNITION COMMITMENTS

Foundation website A season-long sponsor listing on a foundation-controlled page after confirmation of the approved business name, link and logo.

Social media Acknowledgment posts recognize support and may include a sponsor name or logo; they are not advertising, testimonials, or guaranteed audience exposure.

Team sponsor banner Placement on a team-owned sponsor banner or display used where permitted. No guarantee of placement on school, library, tournament, or other third-party materials.

Team shirts ($500+) One business logo in the shared sponsor area on Robotex Ninjas team shirts. Logos may be printed on new shirts or applied to existing shirts using suitable printed transfers or fabric patches. The foundation will coordinate standardized logo placement and size after receiving approved artwork.

Season-end impact report One email or PDF at season end summarizing completed outreach events, locations, recorded participation, and selected program highlights. Repeat attendance is not described as unique children unless verified.

Midseason progress update ($1,000+) One email around the midpoint of the sponsorship term with completed outreach events, recorded participation, key highlights and remaining program plans. Attendance and event counts are reported as actual results, not guaranteed outcomes.

Foundation Partner planning ($2,500+) One optional 30-minute call with an authorized foundation representative to discuss possible support for STEM workshops, equipment or employee volunteering, followed by a brief written recap of potential next steps. A custom event, naming rights or exclusive access are not included without a separate approved agreement.

SPONSORSHIP PERIOD & CONDITIONS

- Season term: [Insert approved start date] to [Insert approved end date]. Recognition materials will be updated on a reasonable publication schedule after receipt and logo approval.
- A sponsor may request acknowledgment by business name only, logo + business name, or anonymity. Sponsor logos remain the sponsor's property and may be used only for approved acknowledgments.
- No sales endorsements, exclusive provider arrangements, access to student information, event attendance guarantees, or control over educational content are included.
- Program delivery, individual host participation, contribution restrictions, and any special recognition require foundation review and approval. Financial gifts are payable to Ninjas STEM Foundation.
- Tax treatment depends on the contribution and benefits provided. The foundation will issue an appropriate acknowledgment after receiving support; sponsors should obtain independent tax advice.

HOW TO PARTICIPATE

1. Choose a sponsorship level or describe an in-kind contribution. 2. Submit the separate Sponsorship Commitment Form. 3. The foundation confirms acceptance and provides approved payment or transfer instructions. 4. Share your preferred name and logo; receive recognition and an impact update.
